# Cambridge

- Cambridge is a very beautiful city. It lies in East of England about 50 miles of London.
- Cambridge was founded in 11<sup>th</sup> century
- There are a lot of ancient building, colleges, parks and other famous places there.

# Cambridge

- The city name means: “bridge over the River Cam.”
- Cambridge is well known as the home of the University of Cambridge.

# Cambridge University Colleges

- The University of Cambridge has been in existence since the 13<sup>th</sup> century
- The early students lived in private houses
- At this time students live and work in 31 colleges
- The oldest college is Peterhouse. This college was founded in 1284.
- The latest college is Robinson College. This college was opened by the Queen in 1981.
